HEARING

Objection to Subpoena Duces Tecum and the Personal Representative's standing, comes now before the Court for a hearing via WebEx.

Mr. Coombs states a brief history of the case for the record. Counsel may file a motion to dismissed based on the information stated for the record.

The Court having considered and having heard objections, waives mediation and refers the matter to Judge Trease for determination on quashing the subpoenas and validity of the appointment of the personal representative.
